Major fields of study: Business Law & Business Management

Occupation or Employment: Retired

Interests/Hobbies: Family, Faith, Illini, Cardinals, Bears

Favorite activities at Rocky Fork: Just being here. Skiing, dinner with friends

How often do you attend Rocky Fork Board meetings? Always

What experience and/or talents do you possess that you think will make you a good board member?

I have served as Building Chair, Maintenance Chair and for the last year President of The Board. My professional career allowed me the opportunity to learn to lead and build consensus among statewide organizations and volunteer teams. I hope my super power might be common sense.

What office &/or committee are you interested in filling?

I will serve one more year as President and following that will serve where needed.

Have you volunteered for any Rocky Fork Community work or social activities in the past three years? If so please describe what activities and how often you volunteered.

As stated above I've served on Building and Maintenance committees. I have also been the chili master the last few years.

Have you read, do you understand and do you support the club bylaws, covenants, and lake rules? Please explain.

Yes. Not sure what else needs to be said.

Annual dues are set at $1,000 currently. Expenses are increasing. In order to keep dues at the current rate what expenditures would you add or delete? Please give reasoning.

The Board of Directors, in my experience here the last 14 years, takes very seriously the financial decisions they have to make. Frankly the financial impact for the members is always discussed when expenditures and budget decisions are made. I will participate with the Board in looking for any cost savings we can find. We have a great group of volunteers that have reduced some of our costs,

For non-budgetary items requested by RFC members, what are your ideas on how to fund these expenditures?

Prior planning, volunteers, fund raising and if it is a true benefit to all members then a possible assessment if approved.
