Rocky Fork Lake Inc.
Board Profile

This form must be completed and turned in by June 30, 2026 to have your name listed on the Annual Meeting Agenda and your name placed on 2026 meeting ballot. Completed Profile Forms will be placed on the Rocky Fork Web Site after July 23.

Name: **Bonnie Rzonca** Lot Number: **W 76**

Which best describes your RFL residential Status:

_X__Full Time ___Summer ___Weekender

Education: ___X_High School ____College ____Post Grad

Major fields of study: **Life**

Occupation or Employment: **Retired!**

Interests/Hobbies: **I enjoy family time, spending time with friends, and reading.**

Favorite activities at Rocky Fork:

I like to swim, boat, go on golf cart rides and socialize.

How often do you attend Rocky Fork Board meetings? **Nearly 100% of the time**

What experience and/or talents do you possess that you think will make you a good board member?

My many past years of serving this community in many capacities. During these years I served 6 years as president of the board and several years as vice president. I was Co-Chair of the Septic Committee for 15 years, the Common Grounds Committee for several years and helped the Treasurer collect, process and deposit dues and assessments for many years. Rocky Fork is not only our home but will be passed down through our family. Our grandchildren are proud fourth generation Rocky Forkers. It is in their best interest, as well as all members and their families that our club is stewarded in the best way it can be. I think with my love of our community as well as my experience and historical knowledge I am well qualified to continue to serve Rocky Fork.

What office &/or committee are you interested in filling?

I am willing to continue in all capacities that I currently fill. They include: Aquatic Control Chair, Chili Supper organizer and as a member of the Common Grounds Committee. I will continue to be one of the two board members who update members via email and keep an up to date email list of lake members or their designated contacts. I will continue to take care of pavilion reservations. I will continue to register and put RFL stickers on boats. I will continue to manage the member's keys for the mailboxes. I will also continue to be available via email, text or phone to answers questions that members frequently have or to help them in any way needed. I am willing to do other tasks that are asked of me.

Have you volunteered for any Rocky Fork Community work or social activities in the past three years? If so please describe what activities and how often you volunteered.

All Board activities as well as any Club activities that I am able. I am involved with almost all Common Grounds activities and have been for many years. With the many tasks that I listed above you can gauge my commitment, dedication and time devoted to our community.

Have you read, do you understand and do you support the club bylaws, covenants, and lake rules? Please explain.

I have read and do understand and support our governing documemnts . They are in place to keep our community safe and running smoothly.

Annual dues are set at $1,000 currently. Expenses are increasing. In order to keep dues at the current rate what expenditures would you add or delete? Please give reasoning.

I don't think that there is anything that can be deleted. I think that with rampant inflation going on with everything we must increase our dues to cover the cost of the things in our current budget. As our lake is soon approaching its 7th decade there are things that do now or will need replacing or fixing. We are also asking for an increase to earmark money for Long Term Planning. While I wish it weren't the case, I believe these to be prudent choices.

For non-budgetary items requested by RFC members, what are your ideas on how to fund these expenditures?

There could be many ways but I think the concerts we have had for the last three years provided different ways of funding non-budgetary item requested by RFC members. The first two were paid for by members who were friends of the performers. This last one, a member saw the band perform and though we would enjoy them. She took it upon herself to solicit donations from the membership to bring them to us. I am sure that there are other creative ways to bring member requested non-budgetary items to RFC. It just may require thinking out of the box.
