Rocky Fork Lake

Annual Building Committee Report

8/17/24

In the past year there were 10 applications submitted to the building chairman seeking approval of the board. There were 9 applications that received board approval but 2 of those have been withdrawn by the club members with one pending board approval. I appreciate everyone who has sought board approval on their projects.

David Lewis	W-25	new septic holding tank
David Hudelson	W-69	new garage
Jim Cody	W-90	shed
Mike Sharp	W-36	room addition, garage addition, storage shed
Kyle Decker	E-75	addition to current garage, sleeping quarters
Steve Hunt	E-79	new garage
Ed Hugill	E-33	new yard shed

Thanks,

Andy Sullivan

Building Committee Chairman
